Street, Rajapalayam,
Virudhunagar(dt)-626117.

ABOUT ME

I am a passionate Python Stack Developer with hands-on experience in building and deploying web applications. I have developed a mini e-commerce website and my own portfolio website, both showcasing my skills in Python, web development, and hosting. I am skilled in Python (Django/Flask/FastAPI), HTML, CSS, JavaScript, and database management, with a strong interest in creating scalable and user-friendly applications.

EDUCATION
